

Like a good neighbor...

State Farm Representative Bob Boswell at Toeppen's Mall Road Center in Florence, KY

With 1 in 4 vehicles insured by State Farm, many drivers know how to finish the phrase, "like a good neighbor". Many in the local area also know how easy it is to find the office of State Farm Representative, Bob Boswell.

Over twenty-nine years ago Bob opened his insurance business in Toeppen Company's Mall Road Center in Florence, Kentucky. Why did he locate at the then new two-story building near the intersection of Mall Road and Route 42?

"I considered other locations but this was one of the most recognizable," says Bob, "even people who are new to the area know where the mall is. Toeppen's Mall Road Center has great visibility and convenient parking."

And just like Bob is with his clients, Toeppen has always been very responsive. They've accommodated Bob's needs as his business has grown from a 500 square foot insurance office to a 1500 square foot store front one offering insurance and financial services!

Do you have an ideal location for your office, retail, or industrial site? If not, call Toeppen today and, like a good neighbor, they'll be there to help!
