Dr. Charles Horning in his dental office.

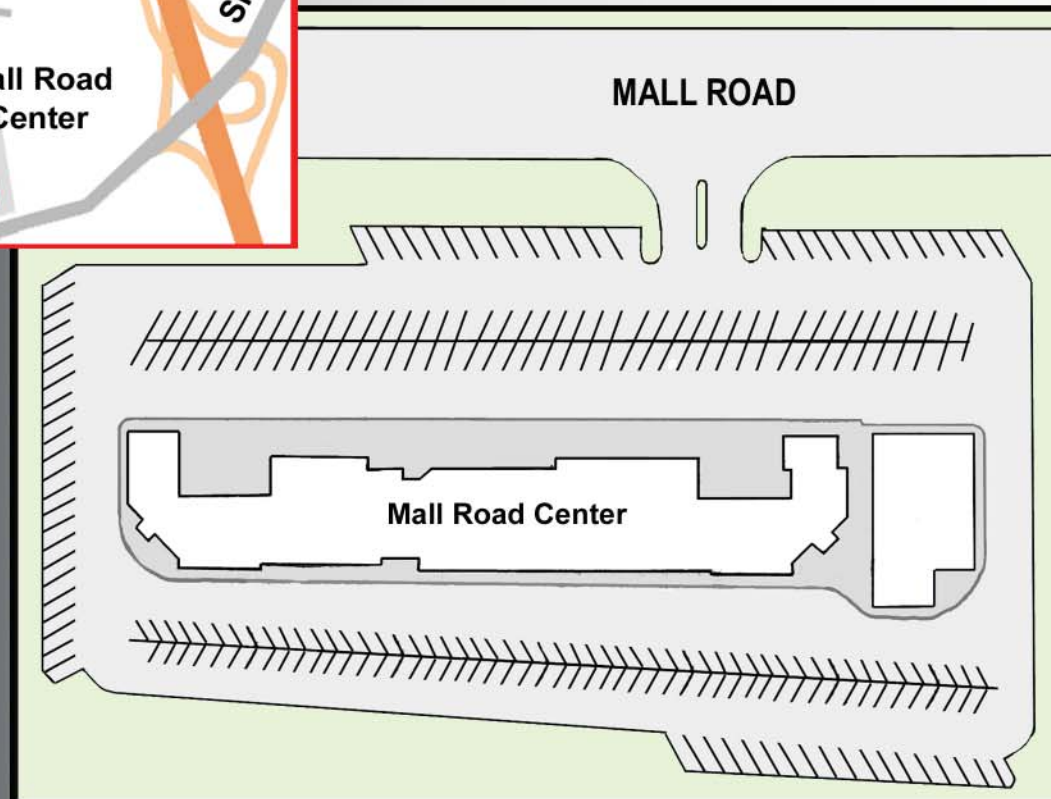

Are you happy with your current office or retail location? If not then consider Mall Road Center! Dr. Charles Horning was one of the first tenants to move into Toebben's Mall Road Center and almost 30 years later he wouldn't move if he had the chance. Just south of the Florence Mall, Mall Road Center offers the small business owner some of the most value-priced office space in the area. It has a completely renovated common area and new windows on the second floor where most of the offices are located. Many popular retail businesses reside on the first floor and the building is convenient to restaurants, hotels, the airport, and downtown. Call Toebben today to discuss your new space!
